Suitable for any commercial environment, Tarkett iQ is the only homogenous vinyl flooring to provide consistent long-term performance without compromising on design.

Its ease of installation, outstanding durability, lowest life-cycle cost and next-generation surface treatment with unique dry-buffing restoration mean iQ outperforms everything else on the market. Factor in a colour palette covering the full spectrum plus designs ranging from classic to contemporary, and you will see why iQ is the perfect choice.

The result of 70 years' innovation in materials, performance and sustainability with over 300 million square metres installed, Tarkett's fully flexible homogenous flooring keeps proving its worth.

Tarkett iQ homogeneous flooring isn't afraid of time. It will look the same even after 25 years, thanks to its next-generation surface treatment and unique dry-buffing surface restoration. Together, they protect the colours, patterns and technical capabilities of all our iQ collections - keeping them new for life.

iQ NEW FOR LIFE™ FOR LIFELONG PERFORMANCE

GENUINE HOMOGENOUS FLOORING

The homogenous structure and surface treatment ensure outstanding resistance to stains or scratches from heavy traffic. This product is a genuine homogenous flooring with a true 2.0 mm wear layer.

NEW iQ NEXT-GENERATION SURFACE TREATMENT

All iQ ranges now come with a next-generation surface treatment that sets new standards in performance. Exclusive to Tarkett, it brings best-in-class protection against marks and stains, even from chemicals like Iodine and Betadine. Combined with our unique dry-buffering technology, it keeps iQ flooring new for life.

2 hours' exposure after
cleaning with Ethanol

iQ'S UNIQUE SURFACE- RESTORATION TECHNOLOGY

Unlike other solutions, iQ's new surface treatment offers class-leading performance FOR LIFE. The homogenous structure means it can be dry buffed to provide the smooth, resilient surface needed for maximum hygiene and resistance to chemicals or staining in sensitive environments.

The homogeneous construction of iQ allows the products to be dry buffed for the true life of the product without any need for chemicals.

Small surface
abrasions from
traffic allow stains to
penetrate and become
embedded

Dry-buffering

dry-buffering, ensuring
a sealed, smooth
surface to maximise
hygiene

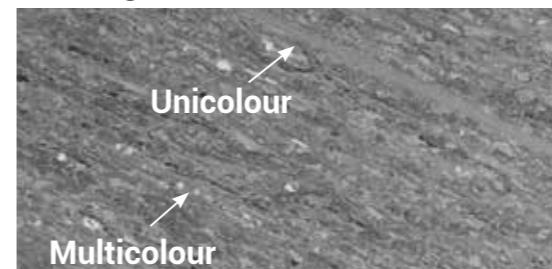

iQ NEW FOR LIFE™ FOR LIFELONG SAVINGS

EASY TO INSTALL

iQ vinyl flooring is fully flexible for a perfect coving and a watertight finish from floor to wall, making the installation faster and easier to achieve. Multi-colour welding rods for seamless finishing are available in a range of contrasting colours coordinated with flooring pattern designs.

A comprehensive range of accessories from stairs, tactile flooring to wetroom fittings for improved safety, guidance and protection, provides the finishing touch. And simpler, quicker installation means lower costs.

Welding rods

Coving

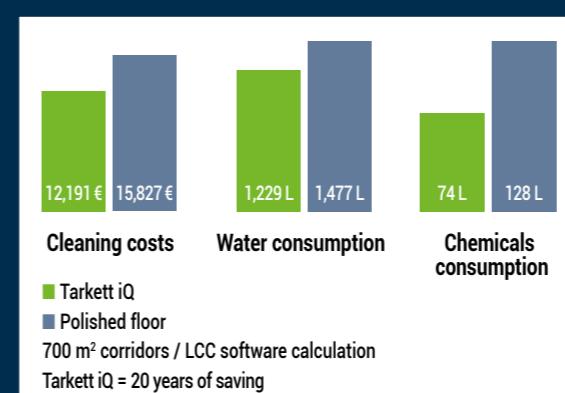

BEST LIFE CYCLE COST

Thanks to iQ unique surface restoration, the iQ ranges produce significant economies in the cost of cleaning and maintenance and provides the lowest life-cycle costs on the market. With no wax, no polish, ever, save 30% on maintenance and see payback within 3 years thanks to iQ's superior performance.

COMPARE FLOORING COSTS WITH LCC

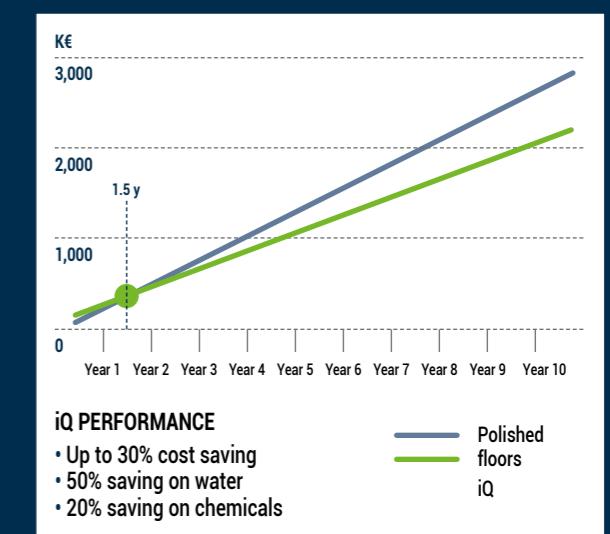

Tarkett's Life-Cycle Cost (LCC) is a software specially developed to compare cleaning and maintenance costs across a range of flooring materials.

iQ vs polished floor: cleaning-cost comparison for a 700m² area (school environment)

Source: LCC Software Calculation

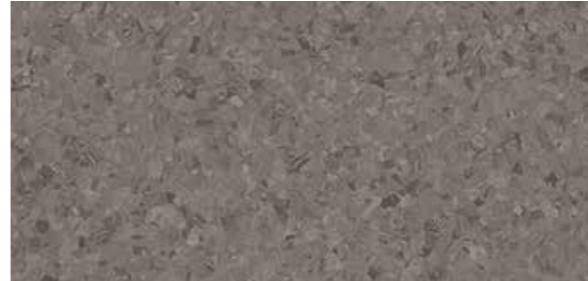

iQ vs polished floor: cleaning-cost comparison for a 10,000m² area (hospital environment)

iQ NEW FOR LIFE™ FOR LIFELONG STYLE

iQ consists of 6 collections, now available in 11 patterns and 257 colours. Supported by a wealth of accessories, including colour welding rods, the iQ range represents a multi-format approach compatible with acoustic, slip-resistant and static-control environments. This flexibility means you can create a single surface for a variety of moods and needs without compromising on performance.

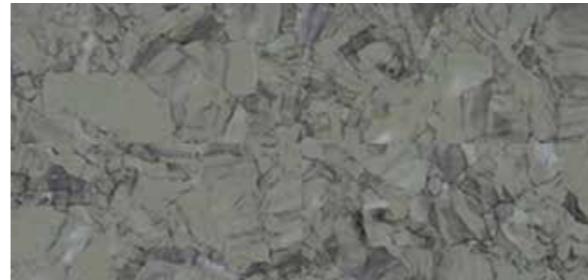

iQ ONE

The non-PVC offer for demanding areas
38 colours in non-directional patterns

iQ NATURAL

Our most natural, sustainably sourced flooring
35 colours in non-directional patterns

iQ MEGALIT

Megalith stones inspired design that stands out
24 colours in semi-directional patterns

iQ EMINENT

A three-dimensional contrasted design to enhance demanding areas
34 colours in non-directional patterns

iQ GRANIT

Versatility that's always in style
62 colours in semi-directional patterns

iQ OPTIMA

The original, truly classic design
64 colours in directional patterns

Doing Good. Together.

At Tarkett, we believe that together, we can make a positive impact on people and the planet. We strive to make high quality, sustainable flooring to help you create healthier and people-friendly spaces.

We listen to our customers' needs and collaborate with all our stakeholders to design products that deliver optimal performance, promote healthy living and respect natural resources.

We are designing for life

People spend 90% of their time indoors, working, learning and relaxing. We help you to create healthier, safer, more people-friendly indoor spaces by designing high quality, sustainable products. In particular, by continuously improving the health and environment credentials of our products, we strive to select materials that can be recovered, recycled and transformed into new products. Through our focus on Cradle to Cradle® design, we make our products in a way that helps to preserve natural resources and mitigate climate change.

We are closing the loop

With our ReStart® takeback programme, we help you to manage your flooring waste effectively while contributing to safeguarding the world's natural resources and protecting the environment. We recycle your flooring offcuts and waste from our production, transforming it into new, high quality products. In this way, we can collectively close the loop and shift to a circular economy.

We're driving collaboration.

The world's great sustainability challenges require co-operation and partnership across industries and supply chains. We encourage our customers and all our stakeholders to join us in working toward positive change. Importantly, we communicate our sustainability progress transparently, and provide you with clear information about our products and ambitions.

Doing Good. Together.

Every day, we strive to improve people's lives, preserve natural resources and respect our environment.

257 POSSIBILITIES

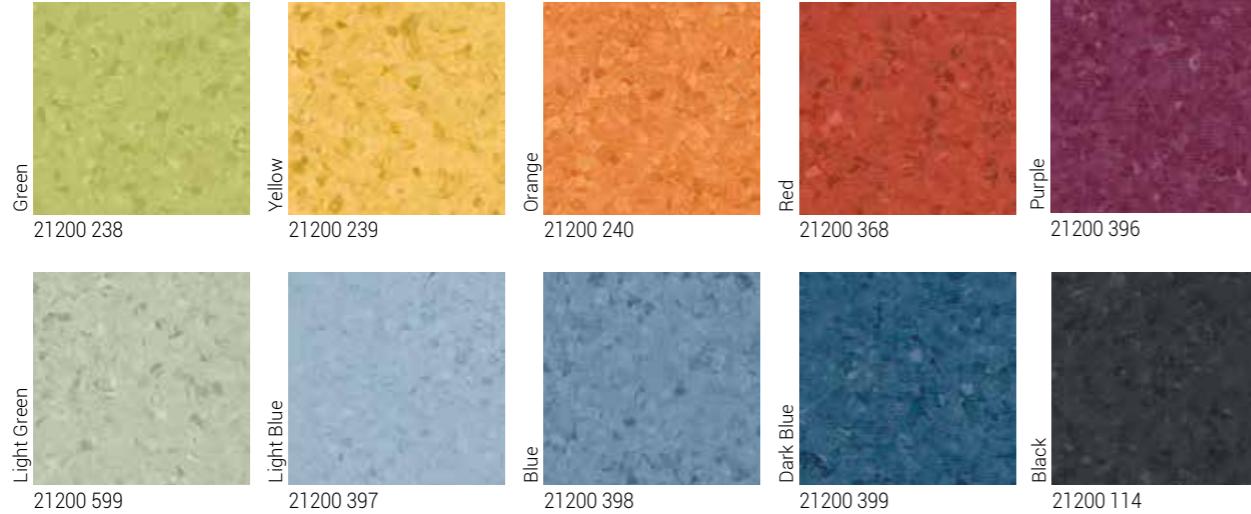

iQ ONE

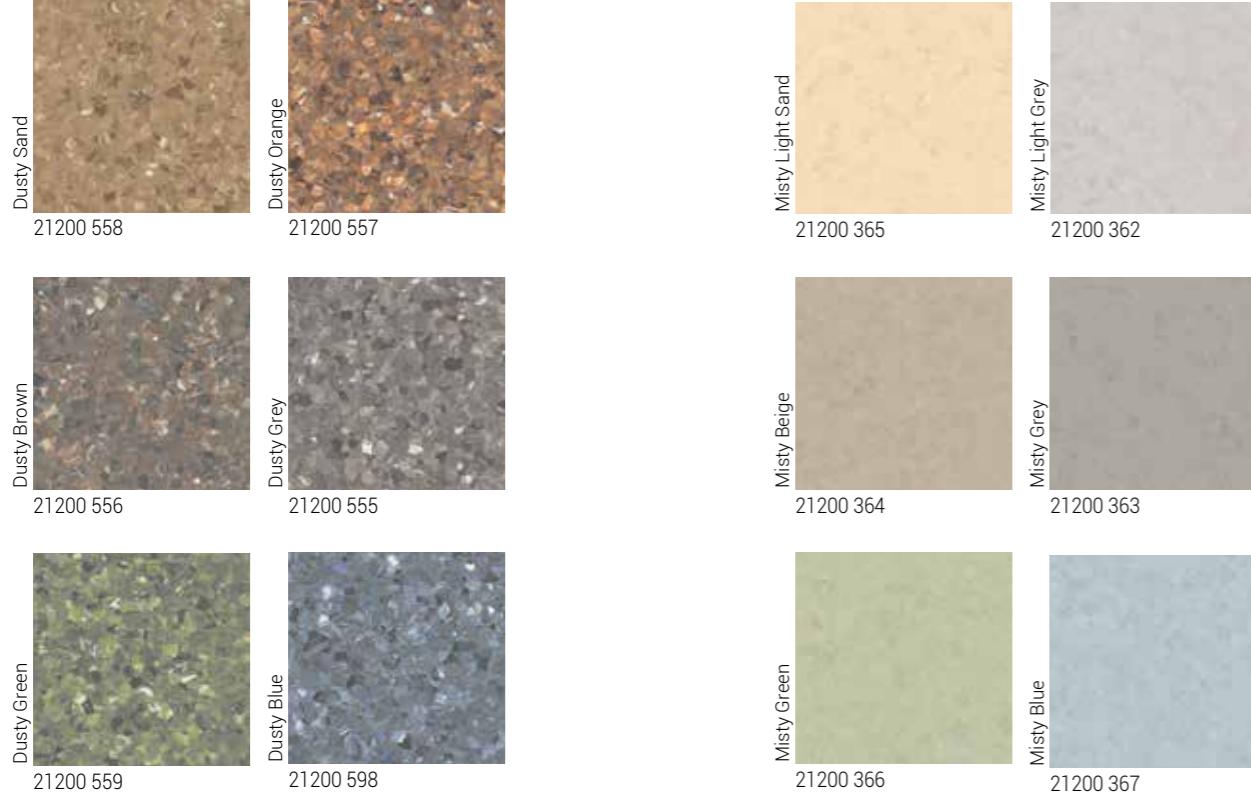

With an array of 38 colours and 3 non-directional patterns, this homogenous non-PVC flooring presents the perfect blend of aesthetic appeal, flexibility and durability.

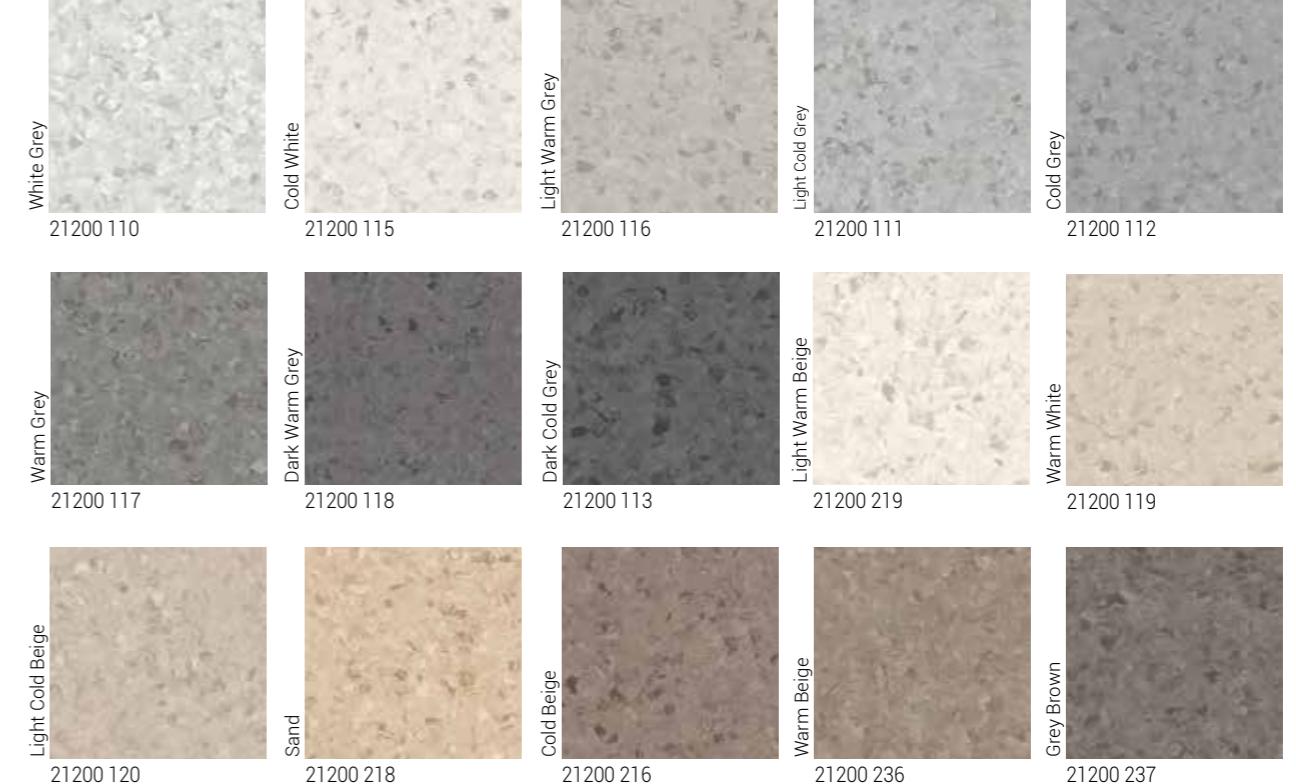

iQ ONE COLOURS

iQ ONE DUSTY

iQ ONE NEUTRALS

iQ NATURAL

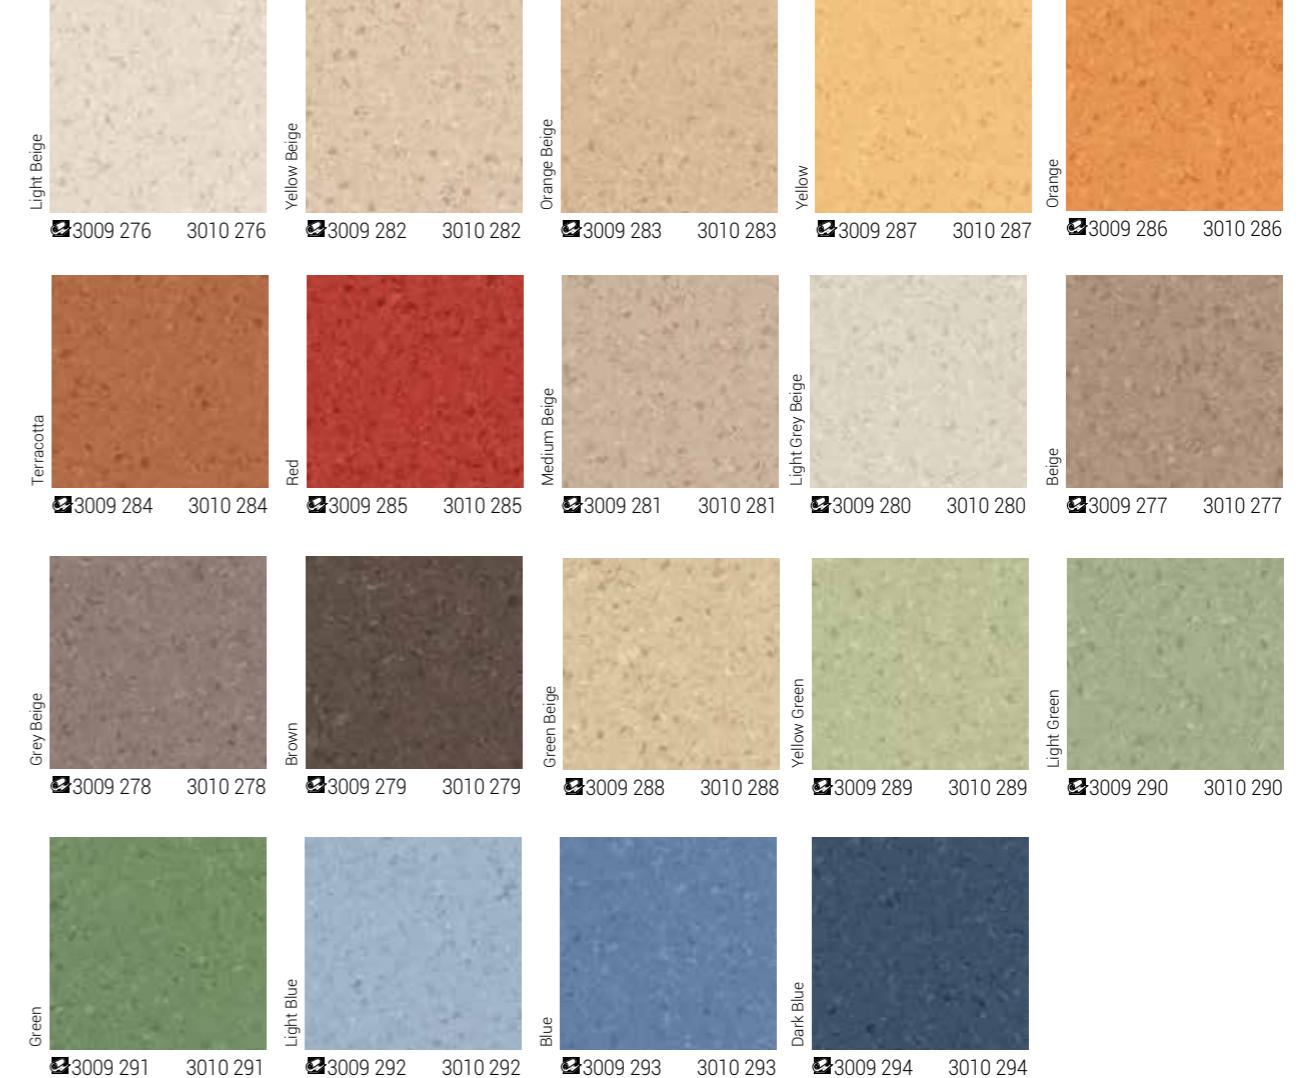

Now more than ever, people prize natural spaces to live and work in. Made with 75% sustainable raw materials in a broad palette of colours inspired by nature, iQ Natural reflects today's tastes while helping safeguard the environment for tomorrow.

iQ NATURAL GREY

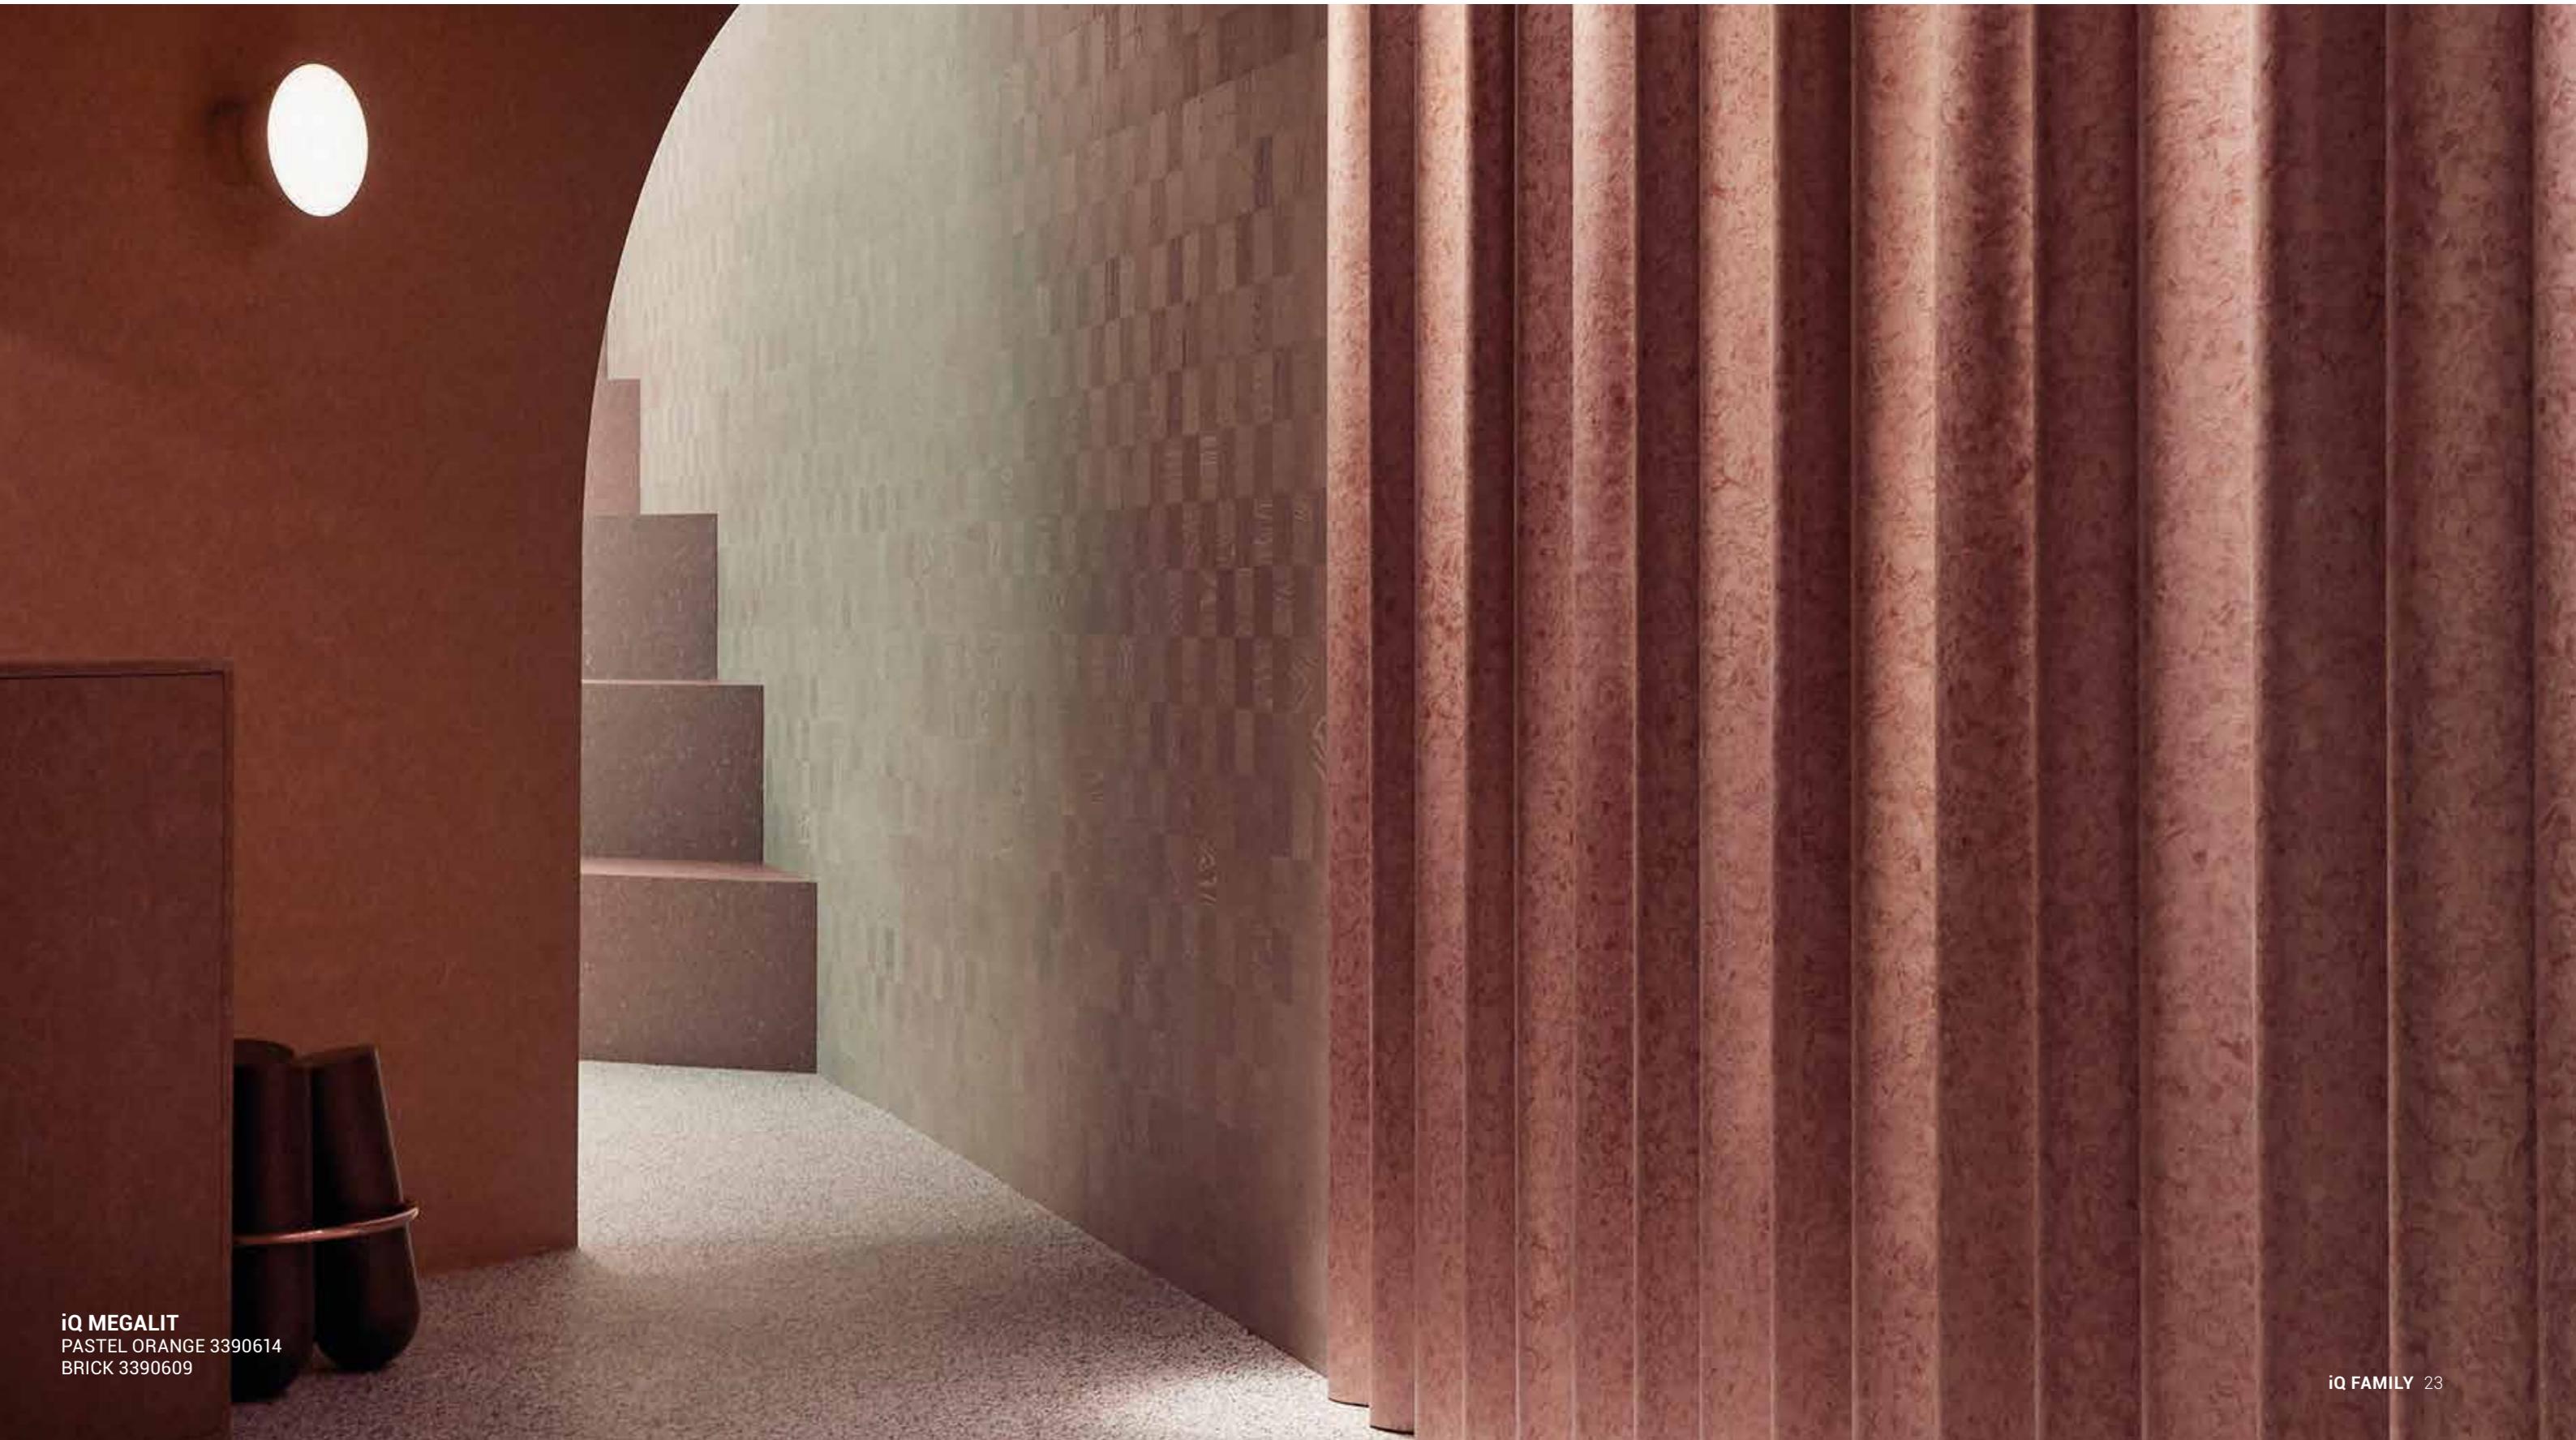

iQ NATURAL NATURALS

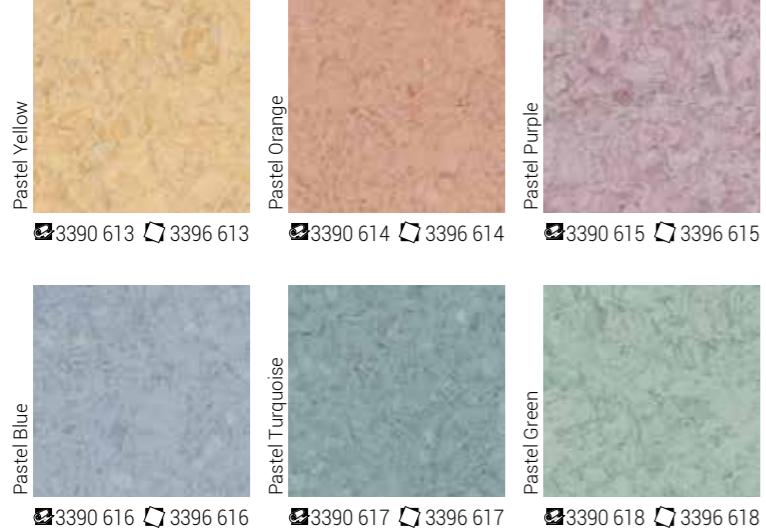

iQ MEGALIT

The pattern's extraordinary depth with its mineral texture gives iQ Megalit a vibrant, natural look that's highly distinctive.

COORDINATED ACCESSORIES

WELDING RODS

- 4mm multi- and single-colour welding rods available.
- Heat welding ensures the surface is fully waterproof and hygienic.
- Superior seam strength.
- Easy cleaning and maintenance.

COVINGS

- Superior flexibility.
- Easy to cove up walls.
- Wet room approved, fully waterproof.

WALL COVERINGS

Wallgard (controlled environments)

- Sealed and smooth surface for optimal hygiene.
- Hygienic and watertight.
- High flexibility, easy to cove and weld with flooring.

Aquarelle Wall (wet room areas)

- Waterproof installation.
- Fresh, on-trend colours and contemporary designs.
- Unique Wet room Concept by Tarkett: matching floors, walls, borders and accessories.
- Hygienic and easy to maintain.

FLOORCRAFT SERVICE

- A fully customised solution to match your choice of design and colour, for a more individualised flooring environment.
- A bank of design options in any size in a selection of 20 colour options.
- Floorcraft designs are assembled in the factory and sent on-site.

A COMPLETE COORDINATED RANGE

GRANIT ACOUSTIC
