# Unique non-linear design expression

The Contract Plus range presents a totally new, non-linear design image for homogeneous floorcoverings in this price segment. When the budget is limited but a classy and exciting design expression is still required, Contract Plus offers a totally new design alternative in this segment. Contract Plus is rated at wear class P and is recommended for heavy traffic commercial use in healthcare premises, schools, shops and similar.

## Unique design image

The uniqueness of Contract Plus lies in the pattern. It is semi-directional rather than linear, unlike all other

floorcoverings in this price segment, which makes it more vivid and visually interesting. Contract Plus is the perfect choice for exquisite design, and will meet your requirements when creating exciting interior designs in most commercial buildings. The new design is available in a collection of 12 fresh and modern colours that offer good creative freedom.

## PUR for easy initial maintenance

Contract Plus provides the benefits of a PUR surface, for easier initial maintenance and a good base for future maintenance with wax or polish.
